

BLAZE OF GLORY CAMP

I've been thinkin' about the future
And it ain't looking all that good
Thousands of us in herds of beings
Congregating in every neighborhood

We'll all be kept half-alive
By who knows what drugs and meds
As we wander through alleys and parks
Only wearing our diapers and Keds

Chorus

*The Blaze of Glory Camp
Now that's the place you'll want to be
You can hang with anyone you want
For a small monthly fee*

You can go on a double date
With Alexander and Catherine The Great
Or you can grab a beer
With Cleopatra and Shakespeare

If you want, you can swim in the lake
With Charlemagne and William Blake
If weather permits, you can ride a sled
With Gilgamesh and Eric The Red

Chorus

*The Blaze of Glory Camp
Now that's the place you'll want to be
You can enjoy anything you want
For a small monthly fee*

Bridge

You can partake in the fun
When you feel like leavin' large
We will dress you up as you like
For a modest one-time charge

You want to ski down Everest
Eddie will hook you up and you do the rest
Should you decide you want to fly
Ickster will get you wings and take you to the sky

If you'd like to conquer Pakistan
We'll let you learn from the Kubie man
Or if you seek The Blaze of Glory
Jimmy will shoot the final scene of your story

Chorus

*The Blaze of Glory Camp
Now that's the place you'll want to be
You can enjoy everything you want
For a small monthly fee*
