

# CONCRETE CUPCAKE

I get rushed...I get crushed  
I get hounded and pounded  
Most of the time I'm watchin' my back  
So I don't get myself surrounded

## *Chorus*

*That's the way it is around here  
Always somethin' comin' atcha  
It's a rock fight all the time  
Better have someone there to catch ya*

Been bombarded and discarded  
I've been supplied and denied  
Gotta keep the whole world on the outs  
Or I'll get myself over-stimulated

## *Chorus*

*That's the way it is around here  
Always somethin' comin' atcha  
It's a rock fight all the time  
Better have someone there to catch ya*

## Bridge

You see we gotta be tough outside  
We can make no mistakes  
If people see how we really feel inside  
They'll know we're just concrete cupcakes

You complain you can't get through to me  
That's because I can't trust myself  
If just one person gets into me  
I'll be beggin' for some emotional help

## *Chorus*

*That's the way it is around here  
Always somethin' comin' atcha  
It's a rock fight all the time  
Better have someone there to catch ya*
