

LOVIN' LIFE TONIGHT

Chorus

*We're gonna get this place pumpin'
Gonna make everyone feel alright
I may hate myself in the mornin'
But I'm lovin' life tonight*

Remember when we made money doin' this
Well....those days be done
Now it's about doin' what we're doin'
And havin' a ton of fun

We ain't courtin' any luxe
We ain't gettin' fat
We ain't scorin' stupid bucks
We're just lovin' what we're lovin'
And that is that

Chorus

*We're gonna get this place pumpin'
Gonna make everyone feel alright
I may hate myself in the mornin'
But I'm lovin' life tonight*

In the mornin' these bones gonna be snipin'
They never have nothin' good to say
I'm gettin' tired of hearin' them gripin'
So I'll deal with them some other day

We ain't courtin' any luxe
We ain't gettin' fat
We ain't scorin' stupid bucks
We're just lovin' what we're lovin'
And that is that

Chorus

*We're gonna get this place pumpin'
Gonna make everyone feel alright
I may hate myself in the mornin'
But I'm lovin' life tonight*

We're just doin' what we're doin'
And that is that
We're just lovin' what we're lovin'
And that is that
We're just doin' what we're lovin'
And that is that
We're just lovin' what we're doin'
And that is that

Chorus

*We're gonna get this place pumpin'
Gonna make everyone feel alright
I may hate myself in the mornin'
But I'm lovin' life tonight*
