

NEW YORK LOVIN'

We got lovin' from the Boros
Betcha most folk don't know
How that goes
So try to keep it still
And let me 'splain how I knows

We will love you till

They begin to build mansions
On Marginal Street
Divers want to snorkel
In Flushing Creek
And we all start dancin'
To the Hellgate Beat

Chorus

*Our lovin' will feel so civilized
You won't know from being satisfied
You won't get no pushin' or shovin'
All you need is some New York Lovin'*

So keep it still
And I will 'splain how I knows
'Bout lovin' from the Boros

We will love you till

I'm cavortin' with the boys
Up on Moshulu
You're bouncin' with the babes
On Nostrand Avenue
And we're all boppin' down Broadway
Doin' the Boogaloo

Bridge

You want to know 'bout New York Lovin'...?
It's stronger than struttin' through Rikers Yard
It's better than hangin' at 1 Lispenard
It's even hotter than Saluggi's oven
That's what I'm talkin' 'bout
That's New York Lovin'

So keep it still
And let me 'splain how I knows
'Bout lovin' from the Boros

We will love you till

I'm dining in the parlor
With Arthur Kill
You're sittin' on the lap
Of Spuyten Duyvil
And we're moshin' with them both
Up on Wave Hill

Chorus

*Our lovin' will feel so civilized
You won't know from being satisfied
You won't get no pushin' or shovin'
All you need is some New York Lovin'*
