

SOMETHING INSIDE OF YOU

Chorus

There's something inside of you

That you love

But you don't know

What it is

Maybe it's the memory

Of the burnt autumn sky

Maybe it's the melody

Of the blaze in the eye

The glow of the moon

Makes the snow look blue

The full moon turns the snow to blue

Chorus

There's something inside of you

That you love

But you don't know

What it is

You may never get the chance

To see it clear

It may be too close to

The gift you fear

The stolen flame screams louder

And claims all it touches

With a spark forever new

Chorus

There's something inside of you

That you love

But you don't know

What it is

Your eyes keep searching
For what's out of reach
Hoping to find the
Hidden fuse of speech

The beam slides tight across the tile
Veering bright from black to black
Then vanishes from view

Chorus

*There's something inside of you
That you love
But you don't know
What it is*

*There's something inside of you
That you love
But you don't know
What it is*
