

TALON THREDS

Ya gotta fold up those Dungarees
And ya gotta stash those Chucky T's
Be the person twistin' heads
The one scorchin' Talon Threds

Ain't got no time for no Leisure Suits
This ain't the place for no Desert Boots
Be the person twistin' heads
The one scorchin' Talon Threds

Chorus

*You know it's all right to be thinkin' Old School
But it's nothin' like bein' a Tool for Cool
You bring it with you
When you show
You take it with you
When you go
Be the person twistin' heads
The one scorchin' Talon Threds*

Don't go lookin' for your Huck-A-Poo
And please eighty-six your V-Neck Crew
Be the person twistin' heads
The one scorchin' Talon Threds

Chorus

*You know it's all right to be thinkin' Old School
But it's nothin' like bein' a Tool for Cool
You're against their world
You're against their skin
You're scorin' the door
You know who gets in
Be the person twistin' heads
The one scorchin' Talon Threds*
