

## THE COLONY

I'm a Punk Wocker  
And I'll never go away  
There's no center ground  
I do nothing halfway

I'm a Punk Wocker  
In a waking fantasy  
Can't find one little life  
That's big enough for me

*Chorus*

*Punk Wockers never  
Struggle to be free  
We wear a bell around our necks  
Outside the colony*

I'm a Punk Wocker  
And I always stand alone  
Only those who are guilty  
Can throw the first stone

Punk Wockers-  
We know we'll never fit  
Punk Wockers-  
We still don't give a ....

*Chorus*

*Punk Wockers never  
Struggle to be free  
We wear a bell around our necks  
Outside the colony*

Punk Wockers are  
Always gonna lose  
Punk Wockers are  
The only ones who choose

Punk Wockers-  
We know we'll never fit  
Punk Wockers-  
We still don't give a ....
