

## HANGIN' OUT WITH MY BUDDY

The barman is tryin'  
To pick up some coins  
That are glued to the bar  
In front of me  
He gives me a look  
And a shake of the head  
Like he would pay someone  
To get rid of me

### *Chorus*

*The folks in this dump are watchin' me  
Thinkin' I'm here to drown my sorrow  
But I'm just hangin' out with my buddy  
Makin' sure he stays close to me  
'Cause I'm gonna need him again tomorrow*

I've been starin' out into the street  
Dreamin' she'll just walk in now  
And sit right down next to me  
But I am pretty sure how  
This dream is gonna end  
With her nowhere in sight  
And the barman tossin'  
Me and my friend  
Out into the dream-smackin' night

### Bridge

I can't say I was dealt a bad hand  
Or cry that my path was really tough  
I wanted it all-I got none of it  
Then she began to understand  
That the love she was givin' me  
Was never gonna be enough

I gotta keep on dreamin'  
That better days are  
Gonna roll around this way  
To get me back in the show again  
But when that might happen  
Is a bit hard to say  
So you'll be able to find me  
Hangin' out with my buddy till then

### *Chorus*
