

I'M FALLIN' IN LOVE WITH YOU ANYWAY

People are always tellin' me
You won't even give me the time of day
But they can talk till they're blue in the face
I'm fallin' in love with you anyway

Believe me I know I am not perfect
Parts of me, though, are pretty OK
I can only give you what I got
I'm fallin' in love with you anyway

My heart has got a mind of its own
And it's lovin' you more than I can say
So what if my heart is losing its mind
I'm fallin' in love with you anyway

So many things have to go right for us
But at this point I don't care either way
I just have to let you know how I feel
I'm fallin' in love with you anyway
